

Basildon CE Primary School

Uniform Policy

Basildon's distinguished school uniform reflects our high expectations of academic excellence and character development. The uniform is fully inclusive and allows for religious observation. All pupils must dress according to the Uniform Policy without exception and this includes PE kit.

Final decisions on the suitability of uniform are made by staff and we expect parents to support these decisions in full.

If any parent needs support to provide a full uniform, they should discuss this with the Headteacher. The school will always be considerate and try to assist. Pupils will not be made to feel uncomfortable, nor discriminated against, because their parents are unable to provide them with school uniform.

Please ensure all clothing and property is clearly labelled. This enables pupils to identify their clothing and allows for articles to be traced and returned.

The school does not accept responsibility for loss or damage of school uniform.
